Self-Directed Search

a part of **Aspira360**

StandardSDS Occupatio Finder (OF) dibuat untuk membantu individu menemukan pekerjaan yang sesuai dengan Kode Ringkasan mereka yang didapatkan dari **Buku Kerja StandardSDS**. Pekerjaan dalam buku ini terdiri dari pekerjaan yang paling umum di Amerika Serikat. Ada dua bagian dalam OF. Bagian pertama adalah **Holland Occupational Code Index**, mendaftarkan pekerjaan sesuai susunan dalam **Holland Occupational-Code (HOC)**. Bagian kedua, **Indeks Alfabet**, mendaftarkan pekerjaan dalam susunan alfabet untuk memudahkan dalam menemukan posisi pekerjaan yang spesifik.

Holland Occupational Codes

Tiga huruf HOC memberikan deskripsi dari sebuah pekerjaan. Sebagai contoh, kode ESC untuk Manajer-Bisnis mengartikan bahwa Manajer Bisnis menyerupai orang yang ada dalam pekerjaan **E** Enterprising, bahwa mereka menyerupai sedikit orang dalam pekerjaan **S** Social, dan bahwa mereka sedikit menyerupai orang dalam pekerjaan **C** Conventional. Maka, kode ini memberikan ringkasan singkat tentang seperti apa sebuah pekerjaan dengan menunjukkan tingkat keserupaannya dengan tiga kelompok pekerjaan.

Setelah mengeksplorasi pekerjaan yang terdaftar dalam tiga kode huruf Anda, susun ulang kode huruf Anda dalam semua cara yang memungkinkan dan eksplorasi kembali pekerjaan berdasarkan ketiga kode huruf yang telah disusun ulang tersebut. Sebagai contoh, jika kode anda adalah **IRE**, jelajahi pekerjaan berdasarkan kode **IRE**, begitu juga pekerjaan menurut kode **IER**, **RIE**, **REI**, **EIR**, dan **ERI**.

Kode O*NET

Delapan digit kode untuk posisi pekerjaan didapat dari database Occupational Information Network (O*NET). Database O*NET terdiri dari deskripsi ratusan pekerjaan dan diperbaharui secara berlanjut. Kode O*NET dapat digunakan untuk menempatkan informasi tambahan untuk sebuah pekerjaan. Kunjungi website O*NET di www.onetonline.org.

Mengacu pada **Buku Kerja StandardSDS Anda dan Karir Anda** untuk informasi lebih lanjut mengenai membuat keputusan karir. Buku kerja tersebut juga memberikan ruang untuk menuliskan pekerjaan yang anda minati.

Holland Occupational Code

Kode tiga huruf Hollad Occupational Code memberikan deskripsi dari sebuah pekerjaan.

Sebagai contoh, kode RIA mengindikasikan Realistic, Investigative, dan Artistic.

O*NET Code

Gunakan delapan digit kode O*NET untuk mendapatkan informasi lebih lanjut mengenai pekerjaan tersebut pada website Occupational Information Network (O*NET) di www.onetonline.org
